

Michelle,

Thanks for the "Flight of our lives."
That flight we did with you was my
favorite thing we did the whole
time we were in Alaska. You made
it a lot of fun. Here are the
pictures I promised to send you.
Thanks again,

Laurel P. Leeds, Utah

Dear Michelle –

I am finally back in Germany for a couple of days and can get this mailed off to you. Hope it arrives in good condition. Again want to tell you what a wonderful flight we had with you in September. It was the absolute highlight of our entire cruise & trip and we would love to repeat it again someday soon. Have a great season.

Sharon & Hugo G.

Michelle –

We just wanted to let you know that our flight with you was the highlight of our trip! Thought that the whole experience was fantastic! Hope you will enjoy these copies of some of our pictures that will go in our "memories book". Thanks for a fabulous look at a truly beautiful land - Fly safe –

Diane and Ed H.

Hi Michelle –

I just want to write you to extend my thanks for a great flight this past June. Frommer was right when he highlighted your trip in his book "the coolest flights". My folks truly had a great trip and appreciated everything you and your staff did to make this a

moment we won't soon forget. As my way of saying thanks, I have enclosed some photos taken from that flight that are yours to keep. What I'd like to know is if I sent up some duplicates would you be kind enough to autograph them and send them back? I can assure you that if we know anyone going to Alaska, if in the neighborhood they should contact you for a flightseeing tour par excellence. Thanks again for a great time. May the Force be with you!

Harold K.

Dear Friend Michelle and Island Wings Staff –

As you can see from our recent Christmas photo collage, your beautiful red-n-white floatplane is proudly shown! I am so satisfied with your Misty Fjords flightseeing tour on September 8th 2003. Thank you for the breathtaking beauty and the unique feature offering "headsets with voice communication... and your charming personality. Please thank your faithful chauffeur for driving us to Totem Bight. The visit to Ketchikan was worth every single minute because of you both.

Dear Michelle

July 20th 2007

People who know me would describe me as conservative with money. Thus I cannot recall a time when after enjoying excellent service I failed to lean and expression of my appreciation in the form of a gratuity. Even further from my recollection in returning home and remaining so impressed with the service that I felt compelled to mail a gratuity to the company or service. This is the only time... After our excellent flight which you commanded I look back on the many adventures that my family enjoyed during our Alaskan Cruise Vacation and the flight we took with you was the height of our vacation. Thank you for your excellent and professional service. Our entire family will remember the experience you provided for the rest of our lives.

Yours very truly Charles R. W. – Oregon

Hi Michelle...

Mark & I thought we would send a couple of pictures to you, so we could thank you again for the most awesome experience

flying with you. We couldn't have asked for more beautiful weather, or more spectacular scenery. Breathtaking is about the only word that comes close to describing it when we tell about our trip. Thank you for the pleasure of meeting you, your accomplishments are an inspiration, and we appreciate the opportunity you provide to see how magnificent Alaska is. If you are ever near Indiana, or just have the urge to visit a dairy farm, please give us a call.

With our best wishes, Mark & Lisa G.

Thank you for the great experience we had! We will never forget it in our lifetime...

The Z. Family

Dear Michelle

A month has passed since my family joined you for a flight to the Misty Fjords. We are still talking about that afternoon and enjoying the photos from the flight. The trip was a years worth of Birthday presents for my brothers family. You added the cake by inviting our mother along (she took the van over to snap photos of us flying off). Even my nephew, who finds most of life boring if it is not in video game format, was enthralled with the flight. Thanks for a great experience and memories.

Oscar and Linda

Thank you for the fantastic service tour. Hope we can do it again, I highly recommend your service.

Art K.

Just another satisfied customer chilling on the balcony after another unforgettable flight with Michelle! He (the name is Horne') Kim and I hope you are healthy and happy. Hope to see you in 2006.

Here are some photos of the flight you provided for us last May. We were the group of seven. I sat in your co-pilot seat. Thanks for that opportunity to sit up front; I really enjoyed that vantage point being able to view out all three directions. We really enjoyed the flight during which you did a wonderful job as pilot. You exuded confidence and mastery of the plane which translated into a more relaxing and enjoyable flight. The fjords were gorgeous and the view provided from your flight really was spectacular. I would highly recommend your

flight service to anyone. Thanks again for that very enjoyable flight of a lifetime!!

Dear Shona and Michelle...

First of all, I want to give you both my sincerest thanks; my parents had a FANTASTIC time on your tour; my mom and I have been sitting in my office catching up for the past hour, she had the best things to say about the both of you & your tour! Neither of them had ever done anything like that, and they both agreed it was their favorite excursion while in Alaska. I am, by nature, a very cautious and worrisome person; when I first saw your website and started thinking of making a tour their gift, I almost talked myself out of it because I would never be able to forgive myself should something happen to them. But after reading up on other tours and checking the reviews I knew that of ANYONE else out there, you would be sure to take the best care of them. And was I ever right!! Knowing that they would be taken care of took SO much stress off of me, as did the ease of making this reservation. The personal service and generosity you ladies showed me made planning this on short notice not only Possible, but easy. I know for a fact that if I ever know

someone taking a trip out there, I will refer them to you! Thank you so much for everything and I hope to meet you someday!

Sincerely, Karla W.

Hello Michelle,

My family and I traveled with you last Aug and loved it. My mom had been recently diagnosed with cancer and we were not sure we'd even be able to make our AK cruise, but your flight was definitely the highlight!... You created memories for us that will always be close in our hearts. Thanks so much, and Many Blessings to you and yours,

Donna M. and family

Dixie and I thank you for the wonderful flight seeing tour you provided when we were in Ketchikan Monday, August 2 via the Norwegian Star. With spectacular vistas, resulting exceptional glacial dynamics that created the fjords, visible evidence of plate tectonics creating the mountains, the extraordinary experience is forever etched in our minds. The expanses of such massive geological wonders that continue to this day are absolutely incredible. The peacefulness of the lake we descended and landed were pristine. Your quiet knowledgeable presentation allows one to immerse oneself in the surroundings. The entire excursion with you was without question, the main highlight of our voyage. We did the whale watching in Juneau, sailed to Sawyer Glacier, took the train ride in Skagway, all under sunny skies while being able to accomplish the requisite shopping (not to leave out the (Northern Lights). It is your excursion that we will remember over time.

It is by what some might say is happen stance, I prefer to think it was intended as we had not planned our excursions ahead. It was a bright sunny and pleasant day in Ketchikan where we had accomplished most of our touring of the shops and we were walking back down one street when we came upon Joe, from Houston, facilitating flight seeing tours just outside of the main tour reservation building. We inquired and by the timing of our inquiry, we were connected with you...

As I have traversed the globe, I look out of the window as I did when learning to fly and now again as we flew with you to see the geological creation and beauty of our Earth. Your flying is exemplary where one can reach out and touch the very essence of what real flying is about. Thank you Michelle. We hope to fly with you again.

Sincerely, Daryl S.

Michelle,

We had a great time on our float plane trip to the Misty Fjords. What a great job you all have. Remember I told you looked like Trisha Yearwood country singer married to Garth Brooks. Enclosed is a picture of her. Thanks again for the great trip. Hope to see you again!

Jim and Donna M.

Hi Island Wings Folks,

Best Wishes for a Happy Holiday. So sorry about Perro- we lost a dog this year- I think some mean person shot her. Dogs are like family to us. We send this photo you took to all our friends- I have painted a lot also and have an Alaskan exhibit up.

Have a great 2008!

A long awaited tape that I promised you a year ago! I hope this note finds you well and having a super summer. I'm still recording and loving it. Listen up on NPR this fall. - I've been producing the pieces about my trip.

Take care, Kathy

Michelle,

We just wanted to thank you again for the wonderful flightseeing tour of Misty Fjords (September 4, 2003) It was absolutely breathtaking! We are currently planning another trip to Alaska for next year! We will keep you in mind for our next adventure. I have enclosed copies of the black and white shots we took.

Thanks again. Matt and Angela D.

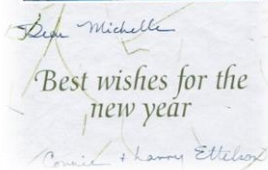

We are still dreaming of our trip to misty Fjords last July. Glad it wasn't one of your planes that ran into trouble. Our country is beautiful too, but it doesn't top Wilson Lake memories!

Elly and Ed S.

Dear Michelle,

Thank you so much for letting me join your flight on Wed. It was amazingly beautiful and I enjoy getting to talk with you for a while. You are most likely inundated with photos, however I hope you can use these or enjoy them.

Sincerely, Diane A.

Michelle,

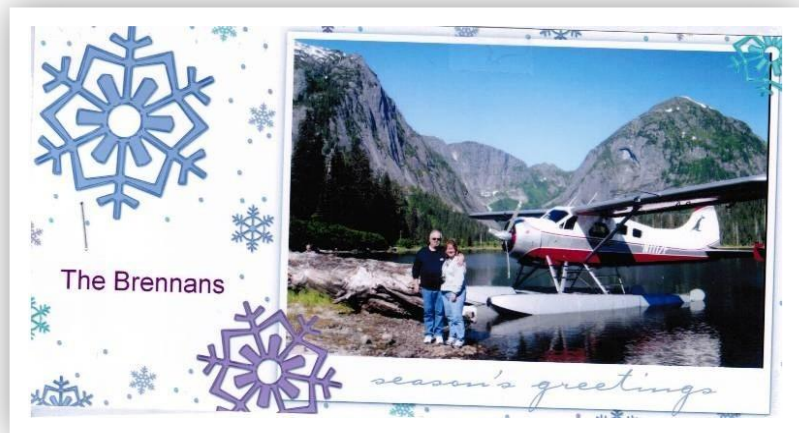

We look forward to coming back to Alaska again. I hope to take another flight with you. Standing on the waters edge, with mountains all around brought me such incredible peace.

Thank you. Connie E.

Hi Michelle,

I am sending you an excerpt from our Christmas letter. Alaska was definitely the highlight of 2005 for us. We both still talk about our amazing floatplane trip. Thanks for putting some magic in our trip. Does the scene in the picture look familiar? Hum!! We enclosed it in all of our Christmas letters. We both enjoyed your

Christmas letter immensely! "June took us to Alaska. It was as we anticipated the trip of a lifetime. There are no words to describe the extraordinary beauty of God's glorious masterpiece of nature in Alaska, although I will still attempt it. We went on a cruise and stopped at several ports. Each with their own unique beauty. David's favorite was a floatplane trip that we went on in Ketchikan. The untouched beauty of millions of acres forgotten by time was breath taking; punctuated by the landing in a mountain Fjords as see in the picture."

In His amazing grace and love, Mary and David B.

Michelle –

We enjoyed our flight so much June 12th that we neglected to further express our gratitude.

Thanks again! Bill and Phyllis C.

Hi Michelle,

Dear Michelle,

You can tell by my Christmas card that Alaska was the highlight of my year. (Your flight made it so.) I think you should write a book someday. You do write so well – something to occupy those long winter days...Keep me on your Christmas list.
