Hi Michelle –

again I wanted to share my most awesome Christmas 2007 – Gary gave me my own Black Bear for the Garden S'tall. I thought you get a hoot out of it! I am not much at e-mail but would like to keep in touch with you, my only adventurer acquaintance in the frontier. I can't even imagine the life you lead...Again good luck to you and all.

We had such a wonderful time! Diane

Hello Michelle –

Just wrote to Dick and told him what a fun flights we had and what a super girl you are. It was just great! Unfortunately my camera gave up on me but that is a reason to come back next year and stay a little while in the neighborhood. Looking forward to seeing you gain then. If you should come to Europe in the meantime please feel free to call on us in France or Germany. We will always find a space for you. Don't work so hard and always look out for Moose!

Michelle, Thought you might enjoy this Valentine from Nebraska! Photos are some from our trip with you last August. Since we never seem to get around to cards at Christmas we started our own tradition of ending Valentines instead. Our flight over Misty Fjords was

truly one of the highlights of our Alaska vacation. Thank again for a memorable adventure. Wishing you a Valentine's Day filled with love. Deck and Rhonda

In 1999 we flew with Michelle over Misty Fjords landed on the rocky island...Nooya Lake...Wonderful! Quiet and pristine ☺

Michelle,

Thank you do very much for the chance to fly with you to the Misty Fjords! I've always wanted to fly

in a beaver! What an amazing job you have! I love the photo I took of you on the front. Maybe Nelson's Mon can use that photo in her article.

Thank you so much for the gift of the two copies of the DVD and the shirt. We are giving one DVD to Msgr. Frost, the priest that went swimming. The other copy we are using and have watched twice. Every time we see it Marcia remarks that this experience was the highlight of our visit to Alaska and. The scenery we saw that day was absolutely awesome. Thank you for taking (us) into this special place and thank you, again, for the professional, gracious way you handled the unexpected situation

when our friend "went" swimming. We told our travel agent at the local AAA office about wonderful experience with you and left a brochure with her. She indicated that she will recommend Island Wings to her future clients. I hope she does so. ...

Hi Michelle and All at Island Wings.

My sister gave me the "Alaska" National Geographic Magazine in my stocking. Imagine my surprise that they mentioned you in one of the articles. We've meant to get just some of the pictures we took on the awesome flights we took with you...I am sure you have 8 million better but they were pretty awesome to us. (We flew with you in September 2007) Thank you Michelle, Shona and crew we were so sorry to hear of the passing of your dog!

Donna L.

Michelle –

Thanks so much for the Great Experience while we were in Alaska. Our photos got a bit faded because of the developer we used but I thought I'd send these anyway. You are an impressive person & you are doing a great job with your tours. Your personableness along with your skills, beauty and brains made our trip truly enjoyable. Anytime I hear of someone going to Alaska I will be sure to recommend you and Island Wings. May you have continued success in all you do. Sincerely –
Rae and Martina U.

Mike,

Dear Michelle –

When my wife said about you after our flight "That woman had got it together" I surely agreed. But because she is a disconcerting person and not easily impressed I wanted to know...Beyond your excellent air skills I appreciated your (way with) words and that you never stooped to crowd pleasing. Gratefully and with respect,

David C.

Thank you all so much for adding such a wonderful experience during my Alaskan Adventure. I speak of it often and look back on the tears of joy that fell as we were flying over the Misty Fjords. It was so spectacular!!! Thank you for what you do!

Our charter with you was the highlite of our Alaska vacation. We were lucky the day we flew was perfect. 61 degrees and sunny! Hope we get to fly with you again. Have a Merry Christmas and a Happy New Year

Jim and Jean C.

Hey Kiddo –

Got the picture and can't thank you enough! Thanks also for the wonderful thoughts. I e-mailed you right when we got back in Aug/Sept and again about a month ago. I mainly wanted to know that you got home safe and sound but was confident that would be the case. You are definitely a survivor. You have our upmost admiration! I wanted you to send us a couple of t-shirts, small, they are my favorite of all the "Alaska Stuff". If you have my card on file use that or let me know if this can be arranged. We have decided on a cruise from Ft. Lauderdale to the Panama Canal. Leaves Feb. 4th 10 days the ship was supposed to stop in Cartagena but due to the security issues that port has been changed. We were anxious to do that "romancing the stone" thing – oh well. Hope you are happy and healthy. Thanks again c'mon down for the wedding!!!

Jay & Kim Thanks for a wonderful day & experience

Well I'd never guessed it would be today – low ceiling, light rain, but after 4 decent landings with my instructor this afternoon he grabbed my log book and endorsed me for my solo & away I went....Island Wings hat and all!....Thank You So Much...for ...whatever it was that got over the edge to take lessons....My Island Wings hat is fastened to my flight bag and will fly with me from now on....I can honestly say this...I never would have take the step to start lessons (if had had not taken the flight with you in May)...That is what got me hooked! I hope ya'll had a super successful season and that your are extra careful with winter work up there. Many, many thanks
