On behalf of Drs. Yates, Delory, Dranick and myself, we wanted to thank you for a great fishing experience. We all talked about a dream come true in that we fished in streams without any other people and caught many big beautiful fish. Your knowledge of the area and the fish gave us lasting memories of what real fish is suppose to be...

Sincerely, Tom G.

Our trip to Misty Fjords turned out to be the highlight of our trip to Alaska. So, thanks again. Someday I'd like to return to stay in one of the (cabins); do some hiking & kayaking. Well, so much for day dreaming.
